

TEAM *Reset* Workshop

**Does your team need to reset and align on what matters most?
Would you like to get traction with employee feedback?
Do your business priorities need a team game plan?**

Explore team challenges and practice opportunities through collaborative team plays in a half-day workshop to strengthen your team's game plan.

Clarify team expectations, values and strengths to elevate performance.

Press pause, get your team together, and align on people priorities.

What is included:

- Discovery session with sponsor
- Half-day in-person workshop with team plays to get the team thinking and focused on what matters most
- Co-designed team action plan
- A skilled facilitator supporting your team to be fully present in the action
